

Mission 2010 Circles

The team from First Baptist Church, Richardson, Texas, will soon be with us, and a week of mission activities will begin on Friday 16th July 2010. This will culminate with Hebden Bridge's first Festival of Faith and Spirituality, from Friday 23rd to Sunday 25th July.

As we enter a period of final preparations, it is important that we pray individually for the mission and week and festival, and it is vital that we pray together as a church. From 8.00 to 10.00 a.m., on the Saturdays 3rd, 10th and 17th July, we will be praying at church. Please drop in to join us for some or all of that time.

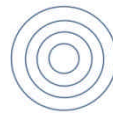

To help us in our prayers we have been thinking about the people in our circles of care.

Who are the people you love? Your close friends and family members? Pray that God will touch them during these period of mission activity.

What about others you know in Hebden Bridge? Neighbours, colleagues? Pray for God to meet with them in a special way through what we are doing this summer.

There may be people you are not so close to, but you see them regularly around town. A bus driver. The Big Issue seller. A shopkeeper. How will they be affected by our mission and festival? Pray for them.

Pray too for the people you haven't met yet. Members of the team from FBCR? People who will come in to the Festival events, or be attracted to the labyrinth experience? As God to use us – to use YOU – to make a difference in their lives.

Above all, please pray!
